

BLUE MOUNTAIN X1384053

This is a high-gloss, sky blue vein/texture coating with dark inset.

Vein and Texture coatings are a great option to use for hiding imperfections on the part you are coating (small scratches, small craters, etc.).

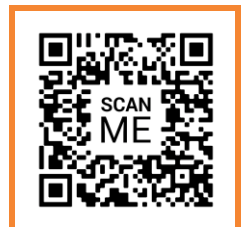

When applying Vein powders, we recommend laying the powder thick to achieve the best vein finish and to avoid light spots once fully cured.

FEATURES:

- Great exterior durability
- UV stable (does not require a topcoat)
- Vein/Texture finish
- High-hiding characteristics
- High gloss
- Salt Spray: 1000 hours pass (ASTM B-117)
- Recommended Bake: 10 Minutes @ 400°F Metal Temperature
