

CANDY GREEN T1793050

A vibrant green candy/translucent coating with a smooth, high gloss finish.

This product requires a silver or chrome base coat. To shake things up try a different base coat such as Silver Vein or Silver Metallic for your base.

Note: Candy/Translucent coatings become darker in color the thicker/heavier you apply the powder.

FEATURES:

- Great exterior durability
- Requires a chrome or silver base coat
- Smooth finish
- High gloss (95%+ gloss)
- Oil and fuel resistant
- Color varies based on thickness
- Recommended Bake: 10 Minutes @ 400°F Metal Temperature
