CODE RED
T1796053

This is a vibrant red candy/translucent coating with a smooth, high gloss finish. This red has a very subtle hint of orange compared to our Candy Red Translucent.

This product requires a silver or chrome base coat. To shake things up try a different base coat such as Silver Vein or Silver Metallic for your base.

Note: Candy/Translucent coatings become darker in color the thicker/heavier you apply the powder.

FEATURES:

- Good exterior durability
- Vibrant red color
- Requires a chrome or silver base coat
- Smooth, high-gloss finish
- Oil and fuel resistant
- Color varies based on thickness
- Recommended Bake: 10 Minutes @ 375°F Metal Temperature
