

CRIKEY! **X5013067**

This is a dark green coating with a very heavy wrinkle finish similar to alligator skin. This coating is similar to our Gator Black powder, but dark green in color.

When applying wrinkle powders, we recommend laying the powder slightly thicker to achieve the best texture finish and to avoid light texture spots once fully cured.

FEATURES:

- Single stage coating (UV stable)
- High hiding characteristics
- Heavy wrinkle finish and feel
- Great for both interior and exterior conditions
- Oil and fuel resistant
- Mid-high gloss finish
- Salt Spray: 1000 hours pass (ASTM B-117)
- Recommended Bake: 15 Minutes @ 400°F Metal Temperature
