

**EPOXY PRIMER (55 LB. BOX)
W3712032**

Epoxy Primer is a reliable, epoxy-based coating engineered to deliver a durable and long-lasting finish for a wide array of applications. This powder coating creates a tough, resilient layer that excels in protecting surfaces from corrosion and chemicals.

Formulated for superior durability, it ensures long-term protection for coated surfaces. This powder coating is versatile and can be applied to various substrates, including metal, aluminum, and steel. It is ideal for use on a wide range of products and surfaces, such as automotive parts, appliances, furniture, and architectural parts/equipment.

**0-10%
GLOSS****55 lb. Bulk Box - Free Shipping****FEATURES:**
