

SEA STAR M1686077

This is an elegant coral rose/pink coating with extremely fine silver metallic pearls. Pictures and videos don't do this color justice, so order a swatch to see this coating in person.

This coating appears a coral rose color in the shadows, and its metallic sparkles pops in the sunlight. This is a single stage coating, so there is no need for a base coat or clear coat!

FEATURES:

- Single stage coating (UV stable)
- Oil and fuel resistant
- Great interior/exterior durability
- Contains very fine metallic pearls
- Smooth, high-gloss finish
- Salt Spray: 1000 hours pass (ASTM B-117)
- Recommended Bake: 10 Minutes @ 400°F Metal Temperature
