

## SNAP-ON SM I56820065

This is a smooth, high gloss silver/grey coating with fine silver metallic pearls. Matched to Snap-on's silver toolbox color. For increased UV durability, a clear topcoat is recommended for outdoor use.

This is a great coating if you are looking for a cool grey color with a subtle metallic shimmer. These pearl flakes are subtle in the shade, but shimmer in the sunlight or in direct light.
